HOW MUCH FOOD DO WE NEED?

We have made it super easy for you to plan a great party here! We have group menus for 10 or 25 people that offers tons of options to help make your planning so much easier.

Please take a look at our menu and order according to what you think is best. You can always order more than you think your party will eat, as no one has ever complained about having to take leftover pizza home!

DO YOU HAVE ANY GLUTEN-FREE OR VEGAN OPTIONS?

We are a gluten-rich environment, and do not have a separate pizza oven. However, we have a gluten free crust available to build any of our pizzas on. Our salads, for the most part, are gluten-free; the Shanker being a particularly popular choice. We are also happy to accommodate vegan diners, and can make omissions or substitutions for most menu items.
