EVENT RESERVATION FAQs

What kind of drinks do you serve? We serve locally owned and brewed craft beer, hard cider, wine, and a variety of non-alcoholic drinks. We DO NOT serve hard liquor. No outside beverages (alcoholic or non-alcoholic) are allowed.

Can we bring in our own food? With a room reservation ONLY, you ARE welcome to bring in your own food or catering. We do have tacos and other small bites from Manu's Tacos available in the pub everyday starting at 4pm, Mon-Fri, and at noon, Sat + Sun. Their street window is open daily at 11am, Mon-Fri only. To set up catering with Manu's Tacos, please email catering@eatwithmanu.com.

Are minors allowed? No, minors are not allowed at our PSQ location

How much does a round of mini golf and duffleboard cost? Mini golf is \$8 per person and takes around 45 minutes to complete. A round on the Duffleboard Course is \$4 per person and takes around 30 minutes to complete. Durations can vary, dependent on how busy the courses are.

Do you have happy hour? Yes, Mon-Fri, from 3-6pm. During happy hour, all draft beers, ciders and wines are \$1.50 off.

How does parking work? We do not have our own parking lot, but there is street parking as well as a pay lot right across the street from our main entrance on Main St.

Do you require a deposit and what is the cancellation policy? At the time of booking, we do require a NON-REFUNDABLE deposit of \$20 or 20% of the total reservation cost, whichever is greater. The deposit is non-refundable, but if you do need to reschedule, we will apply the paid deposit to a future event reservation as long as we are notified at least 48 hours in advance of the scheduled reservation.

Do I need to make a tee time for the golf course if I have a room reservation? Yes, but we will work with you on this at the time of booking. When you book a room, we can set up tee times more than 7 days in advance. If the room is booked at the last minute, tee times will not always still be available but we will do what we can to accommodate your group's request to golf.

If we rent a room, do we have a designated server? We do not have any designated servers. All drinks are ordered at one of the two bars in the pub. We operate this way due to the extensive tap list that is always rotating and we also want our guests to feel welcome to move around in the pub, play the different games, and get a drink when they'd like and not have to wait on a server.

How can I set up a tab? We are a cashless pub and you'll need a credit card to start a tab. You can start a tab for your group, have all of your guests open their own tabs or provide your guests with drink tickets.

What are drink tickets and how can my group use them? Drink tickets have no monetary value and don't affect the price of the beverages we have. They're a way for hosts to limit how many drinks are put on tab. Our beers, wine and cider are on average \$6.50. Drinks are charged on a per consumption basis the day of your event and bartenders will only add drinks to the tab once given a drink ticket. There's no charge if you'd like to use drink tickets for your party

What is considered a valid ID? All guests must present valid identification (US driver's license or ID, passport, passport card, or military ID) in order to be served alcohol and to be admitted after 7PM. A valid ID in the state of WA means that it has to be a US/Canadian license OR it must be a passport. Unfortunately, we cannot accept government issued IDs from other countries, only passports.
